Subject: Fw: [External] Draft Programmatic Agreement for Atlantic Coast Pipeline and Supply Header Projects

Hello, Mr. Tarr:

Thank you very much for your phone call just a little while ago. As you have requested, please find attached the draft programmatic agreement that was submitted to us for comment; you will find our comment in redline embedded in the text and margins.

Also, as I mentioned, here is a link to the Citizens Guide to Section 106, which will provide helpful background information about our office's and the Office of State Archaeology's role in the National Historic Preservation Act's consultation process. <http://www.achp.gov/docs/citizens-guide-2015.pdf>

Finally, I have attached some recent guidance from the Advisory Council on Historic Preservation on working with state-recognized tribes in the Section 106 process.

My colleagues and I would be very glad to meet with you to brief you more generally on the Section 106 process and our offices' other services and program areas at your convenience.

Please let me know how I may provide further assistance.

With thanks and kindest regards,

Ramona Bartos
